

2026-27 Tuition and Fees

The Talega Preparatory Academies offer **independent study programs** to families seeking flexible academics and schedules. All programs are available to students K-12, including our Gap Year. 5th year seniors are accepted.

**All Packages include a \$100 nonrefundable application fee.
\$100 late fee for enrollment after July 31st**

Basic Package: \$650

Includes basic tuition (Administrative Services Only) and Application Fee

The Basic Package is for families who have chosen and purchased their own curriculum, and who are ready to implement and supervise the homeschool program 100% on their own.

The Basic Package includes the following administrative services which are provided in all packages.

TPA/A1A will:

- obtain student records from previous school(s),
- confirm enrollment, and provide enrollment verifications for sports or other needs
- create report cards and transcripts (parent submits student grades)
- provide official or unofficial report cards/school transcripts to parents and schools
- provide letters of recommendation and retention letters as needed (first set is complimentary)
- remind you of due dates
- maintain student cumulative file
- provide tools, forms, and resources needed to follow your state's homeschool guidelines
- submit required reports to school
- forward records to the next school upon completion of program
- provide optional services as requested (additional fees may apply)

Premium Curriculum Package: \$1950

Includes all of the above, PLUS our premium online curriculum, including NCAA approved courses • Engaging, high quality, video based instruction

- Up to 6 courses at any time
- Add, drop, or change courses throughout the year
- All grading is included

Elite Academic Support Package: \$3450

Includes: All of the above PLUS an assigned teacher to assist your student throughout the school year.

- Private weekly Zoom sessions scheduled for mutually convenient times
- Supportive professionals offering assistance with coursework, organization, time management, and study skills • Opportunities for supplemental activities
- Your personal teacher provides motivation, encouragement, and guidance to your child all year

4th Quarter Pre-Gap Year Enrollment (March 15th, 2025): \$275

For students wishing to withdraw from their current school in the 2025-2026 school year before being promoted to the next grade. Families must enroll for the 2026-2027 school year for this package to be an option. (curriculum and teacher support

offered at additional cost)

***Package prices reflect significant savings when purchased at the time of enrollment. Services may be added later at a higher rate.**
